Project: Task 4 – CodTech Digital Marketing Internship

Date: August 2026

1. INTRODUCTION

This strategic analysis examines the complete end-to-end experience a customer has with the **Nike** brand. By identifying touchpoints, emotions, and pain points, we aim to uncover opportunities for digital marketing optimization and enhanced customer retention.

OBJECTIVES

- Analyze customer behavior across the buying cycle.
- Map critical digital and physical touchpoints.
- Identify friction points and experience gaps.
- Recommend actionable marketing strategies.

2. BRAND & PERSONA

Nike is a global leader in athletic footwear and apparel. For this analysis, we focus on the "Young Professional Athlete" persona.

Product Comparison	Medium	Add a "Compare" feature on the Nike Website.
Support Response	High	Integrate 24/7 AI-assisted Live Chat.

KPI PERFORMANCE TARGETS

5. CONCLUSION

By mapping the customer journey, Nike can move from a transactional relationship to a brand-advocacy model. Focusing on **personalization**, **frictionless checkout**, and **post-purchase engagement** will solidify Nike's position as the preferred choice for athletes like Arjun.
